## Why Choose this Course?

Organisational learning is a characteristic of an organization that is able to predict changes in signals from its environment (both internal and external) and adapt accordingly. Organisational learning and the learning organisation has flourished and been defined in a wide range of literature. It is part of the discipline of Organisational Development (OD).

Training management is about positioning training at the core of what you do. It is about becoming a 'Learning Organisation'. This programme will introduce participants to Organisational Learning & Training Management for Oil & Gas Industries

- Learn about organisational learning as a key management process
- Understand the application of training management in your organisation
  - Becoming a learning organisation
  - There will be a practical workshops/exercises each day where what has be learnt will be put into practice
  - The programme has been developed to address the special needs of the Oil and Gas environment

## What are the Goals?

The Scandinavian Academy for Training and Development adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training and Development.

### **Program Timings:**

- 9:00 AM to 2:00 PM in Arab cities.
- 10:00 AM to 3:00 PM in European and Asian cities.

### **The program includes:**

- A daily Coffee Break provided during the sessions to ensure participants comfort.
