# Course: Contract Drafting for Procurement, Tendering & Commissioning

Code	City	Hotel	Start	End	Price	Language - Hours
620	DUBAI (UAE)	Hotel Meeting Room	2025-07-28	2025-08-01	3450 €	En - 25

## The Course

The critical importance of effective and appropriate contract drafting catered to the specific needs of the particular business and situation cannot be emphasized enough. Robust contracts identify and minimize risk for the organisation and ensure that projects and procurement are carried out efficiently and without costly disputes.

All too frequently contract wording used is not properly understood which ultimately detrimentally affects the performance of the project and even possibly leads to contract failure.

Procurement and tendering have become increasingly sophisticated but all individuals need to be aware of the current and best practices adopted by some of the major international corporations in order to increase the effectiveness of their own procedures.

This course will assist all individuals in dealing with such contract wording and procedures in order to maximize the benefits to the organisation and reduce risks.

### Course highlights include:

- Examine the legal effectiveness and formation of contracts
- Assessing the appropriate contract type and tender process
- Key contract clauses focusing on risk, remedies and insurance
- Securing performance of a party's obligations
- Appropriate dispute resolution and dispute avoidance

## The Goals

- Provide an understanding of contract structures, and why contracts are drafted in a particular manner
- Explain the commercial impact of key contractual provisions
- Develop an understanding of the interaction between contractual provisions and the need for consistency.
- Identify where things can go wrong, and learn how to avoid problems, or mitigate their effects through well drafted contracts and good management.
- Understand how to avoid disputes but learn how to deal with them if they arise.

## The Delegates

## The Process

The course will involve the attendees in as much interaction as possible with discussion, case studies and exercises on particular topics. Topics will be designed as far as possible to be clearly relevant to the commercial issues faced by or likely to be faced by the delegates. There will also be opportunities to assess examples of different types of dispute resolution in practice, showing the difference between various approaches, and

the use of external third party experts in dispute resolution. One to one sessions with the trainer will also be available to discuss any further issues faced by the delegates.
