Course Introduction :

Working in teams is much more effective than working with the old-style bureaucratic management. This has been well demonstrated by first the Japanese experience and later in other countries around the world. But the transition from hierarchy to teamwork requires the study and application of the principles of team style management. In this programme you will learn how to:

- Enhance your team leadership skills
- Motivate and manage your people for effective accomplishment
- Deal effectively with conflict in a team
- Build a high-performance team

Course Objectives :

By the end of this course, participants will be able to:

- Recognize the difference between ineffective and effective teams
- Study the different team player styles and their impact
- Devise a strategy to manage the team through the stages of development
- Discover techniques for improving their personal performance as a team leader
- Examine the art of motivating employees
- Consider methods of dealing with conflicts between team members
- Review strategies for handling difficult people
