Introduction

Self-mastery is not achieved by accident - it is a process that occurs as we interact effectively with the events and circumstances of our lives. Each moment of our lives provides an opportunity to practice self-mastery by expanding our visions, awakening the faculties of our minds and our hearts, and assuming full responsibility for living, growing, and contributing. As we master our own emotions, we can enhance our ability to lead others, acting as a role model and someone others would truly wish to follow. Through this programme you will learn a great deal about yourself - how you think, how you perceive the world and how others perceive you, how you communicate and how you can enrich your communication skills - and through that process you will learn how to lead others with great skill.

In this course we will cover:

- How to take charge of your brain
- The importance of a powerful vision coupled with personal integrity
- The development of communication skills
- The advancement of leadership capability
- The improvement of influencing abilities

Objectives

The Scandinavian Academy for Training and Development adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training and Development.
