## Overview

This seminar is designed for all those who have the potential and capabilities of developing into supervisors, team leaders and new managers. Whatever their job title, if they are in charge of others then they will be helped greatly by this seminar.

### In this seminar you will:

- Be effectively and professionally equipped for the major transition from the workforce to a team / leadership role.
- Understand and practice key supervisory / management skills.
- Learn how to motivate and harness your staff potential and abilities.
- Develop objective setting, performance supervision and team building principles.
- Enhance your personal empowerment for successful corporate leadership.

According to the Harvard Business Review, "85% of the reason a person gets, keeps and performs well in a job, depends on their ATTITUDE and only 15% on their APTITUDE". (Aptitude is your University degree, diploma, training, knowledge etc.) It has been found that most Companies spend almost all their training budget on technical and skill development. However, today`s "cutting edge" companies and organizations are now selecting and incorporating Peak Performance Training and Staff Personal Development, to increase the performance and productivity of their Staff.

The well known Cox Report of American Business unequivocally stated that, "As many as 94% of the top executives of the Fortune 500 Companies, attributed their success,

more to ATTITUDE, than any other ingredient!" Professional excellence is primarily determined by harnessing and maximizing mind, attitude and motivation power.

This seminar will bring about dynamic, positive, mindset changes and will give each participant, life style attitudes that will motivate their life to an exciting new level!
