## Introduction

Achieving customer service excellence is not accomplished by accident, nor is it attained without effort and teamwork. It requires well-trained customer service professionals who have a passion for providing quality service. This dynamic, five-day course emphasizes the professional communication skills and actions that create the foundation for continuous improvement.

In today's customer-oriented business environment, "people skills" are critical for career advancement and organisational effectiveness. The programme emphasis the importance of providing customer service excellence in a competitive environment, proven strategies for service recovery, and negotiation techniques for dealing with difficult customers in a professional manner.

- Identify key components that promote customer retention and loyalty
- Describe the practices of a world-class customer service provider and model their own performance on those practices
- Utilize interpersonal skills as vital tools in the provision of customer service
- Develop a customer-focused mindset for continuous improvement
- Improved conflict resolution skills

## Objectives

- Establish the importance of setting and reviewing customer service standards
- Develop an understanding of internal and external customer expectations

- Communicate more effectively by utilizing active listening and questioning skills
- Demonstrate how to deal with difficult customers effectively
- Set SMART objectives and goals to increase daily productivity
- Utilize stress management techniques to reduce tension

## **Training Methodology**

This dynamic, 5-day seminar is highly interactive and encourages delegate participation through a combination of group discussion, videos, role-play exercises, case studies and breakout sessions. This seminar will include benchmarking best practices to model world-class customer service excellence. The comprehensive course manual has been designed to be practical, easy to use and facilitate learning. Delegates are provided a comfortable, enlightening learning experience that gives them the latest insights, techniques and best practices to promote long-term customer satisfaction and loyalty.

## **Organisational Impact**

- A shared organisational customer service vision
- A streamlined customer service feedback system
- Improved intra/ inter departmental communication
- A highly motivated and focused workforce
- Increased competency and communication skills
- Increased customer retention and revenue growth

## **Personal Impact**

- An increased appreciation for their role in helping their organisation achieve customer service excellence
- Up to date techniques and methods to help them provide world-class service
- Enhanced leadership and communication skills required to excel in their career
- Increased confidence in their abilities to work professionally with difficult or upset

customers

- The insight to adjust their own temperament style to become more versatile, adaptable and highly successful
- Improved time management skills and increased productivity

**The Scandinavian Academy for Training and Development employs modern methods in training and skills development, enhancing the efficiency of human resource development. We follow these practices:**

• **Theoretical Lectures:**

- We deliver knowledge through advanced presentations such as PowerPoint and visual materials, including videos and short films.

• **Scientific Assessment:**

- We evaluate trainees skills before and after the course to ensure their progress.

• **Brainstorming and Interaction:**

- We encourage active participation through brainstorming sessions and applying concepts through role play.

• **Practical Cases:**

- We provide practical cases that align with the scientific content and the participants specific needs.

• **Examinations:**

- Tests are conducted at the end of the program to assess knowledge retention.

• **Educational Materials:**

- We provide both printed and digital scientific and practical materials to participants.

• **Attendance and Final Result Reports:**

- We prepare detailed attendance reports for participants and offer a comprehensive program evaluation.

• **Professionals and Experts:**

- The programs scientific content is prepared by the best professors and trainers in various fields.

• **Professional Completion Certificate:**

- Participants receive a professional completion certificate issued by the Scandinavian Academy for Training and Development in the Kingdom of Sweden, with the option for international authentication.

• **Program Timings:**

- Training programs are held from 10:00 AM to 2:00 PM and include coffee break sessions during lectures.
