Introduction

Achieving customer service excellence is not accomplished by accident, nor is it attained without effort and teamwork. It requires well-trained customer service professionals who have a passion for providing quality service. This dynamic, five-day course emphasizes the professional communication skills and actions that create the foundation for continuous improvement.

In today's customer-oriented business environment, "people skills" are critical for career advancement and organisational effectiveness. The programme emphasis the importance of providing customer service excellence in a competitive environment, proven strategies for service recovery, and negotiation techniques for dealing with difficult customers in a professional manner.

- Identify key components that promote customer retention and loyalty
- Describe the practices of a world-class customer service provider and model their own performance on those practices
- Utilize interpersonal skills as vital tools in the provision of customer service
- Develop a customer-focused mindset for continuous improvement
- Improved conflict resolution skills

Objectives

- Establish the importance of setting and reviewing customer service standards
- Develop an understanding of internal and external customer expectations

- Communicate more effectively by utilizing active listening and questioning skills
- Demonstrate how to deal with difficult customers effectively
- Set SMART objectives and goals to increase daily productivity
- Utilize stress management techniques to reduce tension

Training Methodology

This dynamic, 5-day seminar is highly interactive and encourages delegate participation through a combination of group discussion, videos, role-play exercises, case studies and breakout sessions. This seminar will include benchmarking best practices to model world-class customer service excellence. The comprehensive course manual has been designed to be practical, easy to use and facilitate learning. Delegates are provided a comfortable, enlightening learning experience that gives them the latest insights, techniques and best practices to promote long-term customer satisfaction and loyalty.

Organisational Impact

- A shared organisational customer service vision
- A streamlined customer service feedback system
- Improved intra/ inter departmental communication
- A highly motivated and focused workforce
- Increased competency and communication skills
- Increased customer retention and revenue growth

Personal Impact

- An increased appreciation for their role in helping their organisation achieve customer service excellence
- Up to date techniques and methods to help them provide world-class service
- Enhanced leadership and communication skills required to excel in their career
- Increased confidence in their abilities to work professionally with difficult or upset

customers

- The insight to adjust their own temperament style to become more versatile, adaptable and highly successful
- Improved time management skills and increased productivity

The Scandinavian Academy for Training and Development adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training and Development.

Program Timings:

- 9:00 AM to 2:00 PM in Arab cities.
- 10:00 AM to 3:00 PM in European and Asian cities.

The program includes:

- A daily buffet provided during the sessions to ensure participants comfort.
