## Introduction

The Office Professional & Records Management Masterclass is an exciting and interactive programme, designed to provide participants with the opportunity to review and develop interpersonal and professional skills needed to do their jobs effectively, thereby contributing to personal and organizational success.

The programme also covers the strategies, tools, and technologies used to capture, categorise, manage, store, preserve (archive), and deliver documents and records in support of business processes, as well as the core components of ISO 15489 so that organisations become compliant with best practices.

After exploring and developing the multi-faceted skills required of the office professionals and administrative staff (including both inter-personal and technical skills), the combination allows participants to explore in more detail the issues involved in meeting responsibilities for managing documentation and records.

## Objectives

- Extend their understanding of their roles as office managers and administrators and the key contribution they make to organisational success
- Review and develop their personal organisation, communication and interpersonal skills
- Develop an action plan to help themselves, their boss and other colleagues work in

- more effective and efficient ways
- Understand the key concepts and overall architectural scope of records and document management
  - Develop business cases and business requirements for records management systems
  - Identify the business drivers for improving document and records management in their organisations
  - Determine how document and records management can be implemented across their organisations
  - Assess the implications of technologies, including Enterprise Content Management (ECM) on document and records management
  - Understand the key concepts and overall scope of ISO 15489 and how to apply ISO 15489 in their organisations

**The Scandinavian Academy for Training and Development employs modern methods in training and skills development, enhancing the efficiency of human resource development. We follow these practices:**

- **Theoretical Lectures:**

- We deliver knowledge through advanced presentations such as PowerPoint and visual materials, including videos and short films.

- **Scientific Assessment:**

- We evaluate trainees skills before and after the course to ensure their progress.

- **Brainstorming and Interaction:**

- We encourage active participation through brainstorming sessions and applying concepts through role play.

- **Practical Cases:**

- We provide practical cases that align with the scientific content and the participants specific needs.

- **Examinations:**

- Tests are conducted at the end of the program to assess knowledge retention.

- **Educational Materials:**

- We provide both printed and digital scientific and practical materials to participants.

- **Attendance and Final Result Reports:**

- We prepare detailed attendance reports for participants and offer a comprehensive program evaluation.

- **Professionals and Experts:**

- The programs scientific content is prepared by the best professors and trainers in various fields.

- **Professional Completion Certificate:**

- Participants receive a professional completion certificate issued by the Scandinavian Academy for Training and Development in the Kingdom of Sweden, with the option for international authentication.

- **Program Timings:**

- Training programs are held from 10:00 AM to 2:00 PM and include coffee break sessions during lectures.
