## Introduction

The Balanced Scorecard puts strategy at the heart of your organisation, allowing you to focus 100% of your employees' effort on the achievement of company objectives. It provides a powerful framework for the rapid and effective implementation of strategy, delivering breakthrough performance improvement.

### Highlights of the seminar include:

- Understanding how to use the Balanced Scorecard to drive improved performance
- Building a Balanced Scorecard from scratch
- Aligning your organisation around common goals
- Stimulating activities and discussions
- Creating a personal action plan to drive performance improvement within your organisation

## Objectives

### After attending this seminar, delegates will be able to:

- Translate vision and strategy into practical action and improved organisational performance
- Understand how to monitor and manage strategic performance
- Design and build a Balanced Scorecard

- Drive operational performance improvement in line with strategy
- Communicate and manage change

## **Training Methodology**

The workshop is based on a combination of interactive activities - group and individual exercises, case studies and discussions - along with formal inputs. Real examples are employed to illustrate how the techniques work in practice and a case study is used to demonstrate the end-to-end process of creating and implementing a Balanced Scorecard. Delegates also create a plan of action for applying lessons learned within their own organisations
