## Course: Advanced Procurement Skills

Code	City	Hotel	Start	End	Price	Language - Hours
617	Munich (Germany)	Hotel Meeting Room	2025-08-11	2025-08-15	5450 €	En - 25

### The Course

This course is aimed at improving the skills of the Procurement Professional and Senior Buyers in organizations. Advanced negotiation and procurement techniques, business continuity and contingency planning for procurement are discussed and practised in simulations. The course examines the strategic importance of procurement departments by using concepts and ideas in order to maximize the procurement department's effectiveness and thereby reducing costs throughout the supply chain.

The program is an opportunity to develop leadership skills that will assist in working better together, learning to handle conflict situations, implementing time management techniques and understanding the need to have an attitude that is accepting of change. This program is furthermore designed to provide Purchasing Professionals with not only the best practices generally viewed as leading to World-Class performance in procurement activities, but also to provide practical tools and guidance. It is an essential course for the Purchasing manager and Senior Buyer, and delegates will return to their organisation with actual realistic plans on how to make considerable cost savings. Senior managers will also benefit from attending this course as they will be able to make savings in their organisations by ensuring that the tools are implemented.

### The Goals

**The goals of the program are to allow the participants to:**

- Review critical supply strategies
- Be provided the concepts of activity based costing

The Scandinavian Academy for Training and Development adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training and Development.

### **Program Timings:**

- 9:00 AM to 2:00 PM in Arab cities.
