## Introduction

The best leaders thoroughly understand themselves. Time and time again, research has shown that self-awareness and self-direction are two essential factors in leadership effectiveness. As leaders gain a better sense of themselves and a clearer plan to self-actualization, they also:

- Understand leadership in a brand new way
- Discover the “inner” leader as a source of growth
- Tap into your amazing hidden personal power
- Take team development to new levels of achievement
- Learn to lead through excellent communication skills

## Objectives

### In this program you will learn to:

- View leadership from a new and higher-level perspective
- Discover and analyze your leadership style and tendencies
- Grow in personal power and effectiveness
- Discover and build upon your intrinsic leadership qualities
- Understand, develop and employ the emotional forces within you
- Develop the critical interpersonal skills essential for leading others

## **Training Methodology**

The instruction of this dynamic seminar will consist of content lecture, video dramatizations, assessments, engaging class discussions, and many exercises to make the learning come alive. Because Leadership Development: Self-Awareness, Skills and Strategies is so extensive in scope, the seminar will be delegate-centered and need-driven. The actual extent and time allocated to each topic will be determined by initial and daily observations of their relevance to the delegates day-to-day work requirements.

## **Organisational Impact**

### **Leaders with high self awareness and emotional competence:**

- Have the ability to understand and relate to people in the organization
- Avoid many of the difficult people and HR problems that plaques many organizations
- Possess skills that are now considered to have greater impact on organizational performance than traditional measures of intelligence such as IQ
- Promote increased employee cooperation, increased motivation, increased productivity, and increased profits

## **Personal Impact**

### **This course teaches the competencies that enable leaders to:**

- Accelerate their career development
- Understand themselves and their potential more clearly
- Recognize their own emotions as well as the emotions of others
- Resolve conflict more effectively
- Improve their ability to communicate, influence and work with others

The Scandinavian Academy for Training and Development adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training and Development.
