Course: Contract Drafting for Procurement, Tendering & Commissioning

Code	City	hotel	Start	End	price	Hours
620	Dublin (Ireland)	Hotel Meeting Room	2024-09-23	2024-09-27	5450 €	25

The Course

The critical importance of effective and appropriate contract drafting catered to the specific needs of the particular business and situation cannot be emphasized enough. Robust contracts identify and minimize risk for the organisation and ensure that projects and procurement are carried out efficiently and without costly disputes.

All too frequently contract wording used is not properly understood which ultimately detrimentally affects the performance of the project and even possibly leads to contract failure.

Procurement and tendering have become increasingly sophisticated but all individuals need to be aware of the current and best practices adopted by some of the major international corporations in order to increase the effectiveness of their own procedures.

This course will assist all individuals in dealing with such contract wording and procedures in order to maximize the benefits to the organisation and reduce risks.

Course highlights include:

- Examine the legal effectiveness and formation of contracts
- Assessing the appropriate contract type and tender process
- Key contract clauses focusing on risk, remedies and insurance
- Securing performance of a party's obligations

- Appropriate dispute resolution and dispute avoidance

The Goals

- Provide an understanding of contract structures, and why contracts are drafted in a particular manner
- Explain the commercial impact of key contractual provisions
- Develop an understanding of the interaction between contractual provisions and the need for consistency.
- Identify where things can go wrong, and learn how to avoid problems, or mitigate their effects through well drafted contracts and good management.
- Understand how to avoid disputes but learn how to deal with them if they arise.

The Delegates

- Managers
- Marketing and sales staff
- Procurement professionals
- Professionals such as legal and financial staff and contract professionals
- Project Engineers and Project Professionals, including Project Managers
- Commercial Professionals
- Quantity Surveyors
- Purchasing Officers & Personnel
- Buyers
- Supply Professionals

The Process

The course will involve the attendees in as much interaction as possible with discussion, case studies and exercises on particular topics. Topics will be designed as far as possible to be clearly relevant to the commercial issues faced by or likely to be faced by

the delegates. There will also be opportunities to assess examples of different types of dispute resolution in practice, showing the difference between various approaches, and the use of external third party experts in dispute resolution. One to one sessions with the trainer will also be available to discuss any further issues faced by the delegates.

The Benefits

Attending this seminar will help you to learn how to:

- Use appropriate contract structures for different projects,
- Use appropriate contract structures for different projects,
- Examine the commercial impact of particular terms and conditions
- Use contract provisions to reduce the risk of disputes or contract failure.
- Deal efficiently and effectively with disputes including analysis of the methodology used in international contracting

The Results

- Increase efficiency of contracting processes and contract security within the organisation.
- Develop transactional and litigation risk control within the organisation.
- Delivering greater value to the organisation by the use of more effective contracts and protection provisions.
- Minimising costly disputes caused by unclear or inappropriate contract clauses and improving the position of the organisation.
- Improved awareness of methods of dealing with disputes to ensure that commercial relationships are maintained and developed.

The Scandinavian Academy for Training and Development employs modern methods in training and skills development, enhancing the efficiency of human resource development. We follow these practices:

• **Theoretical Lectures:**

- We deliver knowledge through advanced presentations such as PowerPoint and visual materials, including videos and short films.

• **Scientific Assessment:**

- We evaluate trainees skills before and after the course to ensure their progress.

• **Brainstorming and Interaction:**

- We encourage active participation through brainstorming sessions and applying concepts through role play.

• **Practical Cases:**

- We provide practical cases that align with the scientific content and the participants specific needs.

• **Examinations:**

- Tests are conducted at the end of the program to assess knowledge retention.

• **Educational Materials:**

- We provide both printed and digital scientific and practical materials to participants.

• **Attendance and Final Result Reports:**

- We prepare detailed attendance reports for participants and offer a comprehensive program evaluation.

• **Professionals and Experts:**

- The programs scientific content is prepared by the best professors and trainers in various fields.

• **Professional Completion Certificate:**

- Participants receive a professional completion certificate issued by the Scandinavian Academy for Training and Development in the Kingdom of Sweden, with the option for international authentication.

• **Program Timings:**

- Training programs are held from 10:00 AM to 2:00 PM and include buffet sessions for light meals during lectures.
