# Introduction

Since the contract is at the core of all commercial transactions it is understandable that contracts management is a core competency of all successful organisations. World-Class organisations understand well the benefits of increased profits and higher productivity resulting from mastering best practices in the important phases of contract management.

# This seminar provides both strategic and practical insights into:

- · Negotiations,
- Price and Cost analysis
- Managing risk through contract types,
- Critical source selection,
- Contract administration and claims disputes

# **Objectives**

# Participants attending the program will gain from:

- Developing negotiation skill sets to gain the organisation's objectives
- Understanding important aspects of price and cost analysis
- Exploring the various pricing models used in preparing proposals
- Learning about contract types and how they transfer risk

- Dealing with volatile materials pricing
- Evaluating Performance-Based Service Contracting Methods

# **Training Methodology**

- Participants will increase their knowledge base and skill sets through a variety of
  instructional methods including lecture by an experienced practitioner and
  consultant who has "been there-done that", individual and group exercises,
  reviewing published articles, checklists, and group discussions covering current
  practices and their relationship to the implementation of new concepts.
- Attendees are encouraged to present problems for discussion on a confidential basis, and to share their experience of particular issues in their company or industry. A supportive comprehensive course manual, in both printed and CD form, enabling practical application and reinforcement is provided. Time will be allowed for general discussions, and for one-to-one discussion with the senior consultant.

# **Organisational Impact**

# The organization will benefit by:

- Having better outcomes in commercial transactions.
- Having better trained contract personnel leading and guiding the contracting process.
- Continuous improvement in customer service.
- Higher productivity of personnel involved in contract activities.
- Making contracting a high value added process.
- Improvements in the performance of contractors.

# **Personal Impact**

# Attendees will gain by participation in this program through:

- Mastering skills in managing contract activities
- · Improved negotiation skills
- Greater ability to develop professionally.
- Increased job satisfaction.
- Receiving increased recognition by their organization leading toward advancement
- Greater confidence in leading, planning, and managing the entire contract process.

The Scandinavian Academy for Training and Development employs modern methods in training and skills development, enhancing the efficiency of human resource development. We follow these practices:

#### • Theoretical Lectures:

We deliver knowledge through advanced presentations such as PowerPoint and visual materials,
 including videos and short films.

#### • Scientific Assessment:

 $\circ\,$  We evaluate trainees skills before and after the course to ensure their progress.

### • Brainstorming and Interaction:

 We encourage active participation through brainstorming sessions and applying concepts through role play.

#### • Practical Cases:

• We provide practical cases that align with the scientific content and the participants specific needs.

#### • Examinations:

• Tests are conducted at the end of the program to assess knowledge retention.

## • Educational Materials:

• We provide both printed and digital scientific and practical materials to participants.

## • Attendance and Final Result Reports:

• We prepare detailed attendance reports for participants and offer a comprehensive program evaluation.

#### • Professionals and Experts:

• The programs scientific content is prepared by the best professors and trainers in various fields.

### • Professional Completion Certificate:

Participants receive a professional completion certificate issued by the Scandinavian Academy for
 Training and Development in the Kingdom of Sweden, with the option for international authentication.

### • Program Timings:

 Training programs are held from 10:00 AM to 2:00 PM and include coffee break sessions during lectures.
