## Introduction

The Seminar focuses on the internal view of an organization: strategic decision making, budgeting and cost control. The program will increase your understanding of the overall budgeting process and how it fits in to the strategic objectives of your organisation.

It is important that all professionals in every department understand the budget its linkage to the strategic objectives of the business and appreciate that it is a vital component of managing organizations. The budgeting process helps to create a culture of performance measurement and spread it throughout the organization in order to help the business meet its objectives.

### **The budget is an extremely powerful tool in:**

- Setting performance indicators
- Achieving control over costs
- Maintaining good cash flow
- Making correct capital project decisions.
- Motivating staff

## Seminar Objectives

- Understand the importance of linking finance with the business

- Understand the purpose of budgets and their impact on the organisation.
- Appreciate the place of the budget in strategic planning
- Understand the motivational effects of budgets
- Understand how budgets are used both for planning and for control

**The Scandinavian Academy for Training and Development employs modern methods in training and skills development, enhancing the efficiency of human resource development. We follow these practices:**

• **Theoretical Lectures:**

- We deliver knowledge through advanced presentations such as PowerPoint and visual materials, including videos and short films.

• **Scientific Assessment:**

- We evaluate trainees skills before and after the course to ensure their progress.

• **Brainstorming and Interaction:**

- We encourage active participation through brainstorming sessions and applying concepts through role play.

• **Practical Cases:**

- We provide practical cases that align with the scientific content and the participants specific needs.

• **Examinations:**

- Tests are conducted at the end of the program to assess knowledge retention.

• **Educational Materials:**

- We provide both printed and digital scientific and practical materials to participants.

• **Attendance and Final Result Reports:**

- We prepare detailed attendance reports for participants and offer a comprehensive program evaluation.

• **Professionals and Experts:**

- The programs scientific content is prepared by the best professors and trainers in various fields.

• **Professional Completion Certificate:**

- Participants receive a professional completion certificate issued by the Scandinavian Academy for Training and Development in the Kingdom of Sweden, with the option for international authentication.

• **Program Timings:**

- Training programs are held from 10:00 AM to 2:00 PM and include coffee break sessions during lectures.
