Why Choose this Course?

This five-day course will show you how to adopt a practical approach to planning, analysing and implementing a closer relationship with your strategic accounts and defend profitable customers against hungry competitors. This seminar looks beyond the traditional view of sales and marketing as a management activity focused on generating revenue from satisfied customers and dwell deeper into the web of relationships that surrounds organizations and how they operate within this network in order to be successful. It focuses on the development of mutually beneficial relationships with an organization's stakeholders, explores the tactics and strategies used to develop or improve the image and reputation of an organization, and examines the principles of customer acquisition and retention.

Major highlights of the course:

- Understand customers better and how longer term relationships can add value to organisations
- Acquire the tools and techniques necessary in developing client relationships to strategically benefit you and the organisation
- Gain an appreciation of key & strategic accounts and increasing confidence in managing these
- Deploy the marketing mix to think - and act - cohesively and focuses the resources appropriately in the development of key accounts
- Generate an understanding of the total process of relationship marketing and

strategic market planning

What are the Goals?

By the end of this programme participants will be able to:

- Create and nurture sustainable accounts relationships that maximize annual revenue and accounts retention
- Understand the principles of strategic accounts management and the importance of major growth customers
- Evaluate methods to defend key accounts against competitors & the importance of keeping relationship fresh through an accounts plan
- Analyse organisations' current relationship marketing strategies & make right decisions when deploying limited resources to achieve the best returns
- Generate recommendations for improving & embedding a relationship marketing orientation through appropriate strategies & techniques

Who is this Course for?

This course is suitable to a wide range of professionals but will greatly benefit:

- Aspiring and new accounts professionals aiming to develop their planning and customer management skills
