INTRODUCTION

As professionals are promoted into new positions of more responsibility they discover very quickly that a new set of leadership and management skills are required in addition to the knowledge and task skills gained from their experience in their previous positions. This programme will provide you with the leadership and management skills necessary for success in your position.

In this training session you will learn how to:

- Enhance your leadership and management skills
- Effectively balance the roles of a productive manager
- Motivate and coach your people for effective performance
- Delegate the workload effectively and efficiently

WHO SHOULD ATTEND?

This programme will prove to be a useful and productive resource for all those who are interested in developing their leadership and management skills.

It will be of benefit to:

- Newly promoted members of the management team
- Technical staff planning to transition to a management position

- Supervisors seeking to develop their supervisory skills
- Team leaders interested in further management development
- Managers interested in evaluating their current skill set
- Managers seeking to enhance their managerial skills

PROGRAMME OBJECTIVES

- Recognize the difference between managing and leading
- Develop their skills of managing and leading
- Devise a strategy to help “manage” their boss
- Discover a variety of communication styles to effectively cope with different situations

The Scandinavian Academy for Training and Development adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training and Development.
