Code	City	Hotel	Start	End	Price	Language - Hours
616	DUBAI (UAE)	Hotel Meeting Room	2025-08-11	2025-08-15	3450 €	En - 25

## The Course

World-class organizations view the application of best practices in purchasing as being essential skill sets needed by all employees involved in the procurement process. This course focuses on the common “gaps” in performance that must be filled in order for Supply Management to provide the continuous improvements needed for organizations to meet their strategic objectives.

This Course develops how to be proactive rather than reactive in procurement activities and how to be working on the “right” things that display Purchasing’s creativity, flexibility, and supply market knowledge. We establish how to provide and measure purchasing contributions to the organization so that this critical function and all those in it can be elevated to be seen as a core organization competency.

## The Goals

### Participants attending the programme will:

- Learn how to develop high performance purchasing organizations
- Develop strategic purchasing plans
- Discuss how to improve internal customer service
- Determine how to eliminate low value added processes
- Be taught how to develop spend profiles
- Will be show analytics that to guide procurement strategies

- Explore many ways of reporting key performance indicators (KPI)
- See how to apply past supplier performance for better selection
- Be presented with the most important competencies for purchasing personnel

## **The Delegates**

- Contracts, Purchasing, and Project personnel
- Engineering, Operational, and Maintenance personnel
- And all others who are involved in the planning, evaluation, preparation and management of tenders, awards, contracts and purchases that cover the acquisition of materials, equipment, and services and who are in organizations whose leadership want high levels of competency in those involved in contracts and purchasing activities.

## **The Process**

Participants will increase their knowledge base and skill sets through a variety of instructional methods including lecture by an experienced practitioner and consultant who has “been there-done that”, individual and group exercises, review of published articles, and group discussions covering current practices and their relationship to the implementation of new concepts.

**The Scandinavian Academy for Training and Development employs modern methods in training and skills development, enhancing the efficiency of human resource development. We follow these practices:**

• **Theoretical Lectures:**

- We deliver knowledge through advanced presentations such as PowerPoint and visual materials, including videos and short films.

• **Scientific Assessment:**

- We evaluate trainees skills before and after the course to ensure their progress.

• **Brainstorming and Interaction:**

- We encourage active participation through brainstorming sessions and applying concepts through role play.

• **Practical Cases:**

- We provide practical cases that align with the scientific content and the participants specific needs.

• **Examinations:**

- Tests are conducted at the end of the program to assess knowledge retention.

• **Educational Materials:**

- We provide both printed and digital scientific and practical materials to participants.

• **Attendance and Final Result Reports:**

- We prepare detailed attendance reports for participants and offer a comprehensive program evaluation.

• **Professionals and Experts:**

- The programs scientific content is prepared by the best professors and trainers in various fields.

• **Professional Completion Certificate:**

- Participants receive a professional completion certificate issued by the Scandinavian Academy for Training and Development in the Kingdom of Sweden, with the option for international authentication.

• **Program Timings:**

- Training programs are held from 10:00 AM to 2:00 PM and include coffee break sessions during lectures.
