## The Scandinavian Academy for Training and Development employs modern methods in training and skills development, enhancing the efficiency of human resource development. We follow these practices:

- Theoretical Lectures:
- We deliver knowledge through advanced presentations such as PowerPoint and visual materials, including videos and short films.
- Scientific Assessment:
- We evaluate trainees skills before and after the course to ensure their progress.
- Brainstorming and Interaction:
- We encourage active participation through brainstorming sessions and applying concepts through role play.
- Practical Cases:
- We provide practical cases that align with the scientific content and the participants specific needs.
- Examinations:
- Tests are conducted at the end of the program to assess knowledge retention.

## - Educational Materials:

- We provide both printed and digital scientific and practical materials to participants.

## - Attendance and Final Result Reports:

- We prepare detailed attendance reports for participants and offer a comprehensive program evaluation.

## - Professionals and Experts:

- The programs scientific content is prepared by the best professors and trainers in various fields.

## - Professional Completion Certificate:

Participants receive a professional completion certificate issued by the Scandinavian Academy for Training and Development in the Kingdom of Sweden, with the option for international authentication.

## - Program Timings:

- Training programs are held from 10:00 AM to 2:00 PM and include buffet sessions for light meals during lectures.
