Course: Strategy Design Bootcamp

Code	City	Hotel	Start	End	Price	Language - Hours
MT-403	Baku (Azerbaijan)	Hotel Meeting	2026-02-23	2026-02-27	4950 €	En - 25

Introduction

A unique, action-packed workshop that puts the emphasis on practical application of proven, cutting-edge, methods and tools that really works.

Develop hands-on skills in this critical area through applying tools to real world cases and the opportunities and challenges affecting your own organisation.

At the end of the bootcamp you will be able to apply the tools you need to design, develop and deliver a successful business strategy.

This course will feature:

- Stimulating exercises and role plays which are planned carefully to allow delegates to explore their real-life situations through a comprehensive strategic management system
- Active participation to practice using the most current, proven strategy method and tools – experience which can be taken back and applied in the workplace.
- Extensive and constructive feedback throughout the course from the tutor, from fellow delegates and from self-review
- Selection of the vital few critical success factors, key results indicators and key performance indicators to build a scorecard and dashboards
- Discovering new ideas, perspectives and insights

Objectives

By the end of this course, participants will be able to:

- Choose the optimal strategy design for your organisation
- Evaluate new strategy tools and predict their effectiveness
- Question existing strategies and distinguish between effective and ineffective approaches
- Explain how to apply a systematic approach to strategy design, development, implementation and evaluation
- Choose and apply the best strategy tools for the chosen design approach

Contents

Day One

- Differentiate strategy that works from bad strategy
 - Distinguishing bad strategy from good strategy
 - Analysing the essence of good strategy

Day Five

- Putting strategy into action
 - Applying the strategic management system
 - Designing your own strategic approach
 - Presenting your strategy and getting support
 - Understanding politics, power and influence
 - Feedback and suggestions for next steps

The Scandinavian Academy for Training and Development adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training and Development.

Program Timings:

- 9:00 AM to 2:00 PM in Arab cities.
- 10:00 AM to 3:00 PM in European and Asian cities.

The program includes:

- A daily buffet provided during the sessions to ensure participants comfort.
