Course: Project Monitoring & Control

Code	City	Hotel	Start	End	Price	Language - Hours
PM-712	Beirut (Lebanon)	Hotel Meeting Room	2026-08-31	2026-09-04	2550 €	En - 25

Course Description

With tight pressure to reduce costs and implement technology quickly, project managers are under severe pressure to complete projects not only at the promised quality but also on time and on budget. Yet industry figures consistently show that 90 percent of major project initiatives fail to be completed both on time and on budget. This course looks into the unique challenges of managing projects, and offers a roadmap to success

Course Goal

To enhance the participants knowledge, skills and abilities necessary for tracking the progress of the project , evaluating performance vs. plan, and correcting discrepancies between planned and actual progress

Course Objectives

By the end of this course the participant will be able to:

- Review of project planning and appraisal
- Monitor and evaluate projects
- Prepare project status report
- Understand trade off analysis
- Apply project Cost control techniques
- Determine the timing of project termination

Course Outline

- Review of project planning and appraisal
- Project monitoring and evaluation
- Indicators and measurement of monitoring and evaluation tools for monitoring projects
- Project status reporting
- Trade off analysis
- Project Cost control
- Earned value management system
- Terminating and evaluation

The Scandinavian Academy for Training and Development adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant will receive comprehensive training materials, including theoretical content, practical exercises, and supporting resources, provided in both printed and digital formats. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training and Development.

Program Timings:

- 9:00 AM to 2:00 PM in Arab cities.
- 10:00 AM to 3:00 PM in European and Asian cities.

The program includes:

- A daily Coffee Break provided during the sessions to ensure participants comfort.
