Course: Marketing Channels Distribution Channel Management

Code	City	Hotel	Start	End	Price	Language - Hours
460	Jakarta (Indonesia)	Hotel Meeting Room	2025-08-25	2025-08-29	3950 €	En - 25

Why Choose this Course?

This course deals with channels of distribution, the means through which the vast array of products and services are made available to customers. In the age of globalization customers nowadays expect more and better channel choices for gaining access to the products from all over the world.

Channels of distribution are a critical element of business strategy which, if planned properly, enables companies to build up a competitive advantage over their rivals.

New technologies as well as globalization have dramatically transformed marketing channels and the way, how and where customers want to use them. Broad principles will be discussed by which a company expects to achieve its distribution objectives for its target markets.

Workshop highlights include:

- Overview of the functions performed by channels and the value they create
- Characteristics of retailing and important retail marketing decisions
- How to design a marketing channel and select channel members
- Power and conflict in distribution channels
- Franchising as a distribution alternative
- Electronic marketing channels and service channels

What are the Goals?

Upon completion of this course delegates will be able to:

- Understand the importance of channels in the context of the 4 P's of Marketing
- Understand what value channel members create
- Analyse the different types of market coverage
- Appreciate the main retail positioning strategies
- Determine what type of intermediaries can be used in a channel

Who is this Course for?

This course is suitable to a wide range of professionals but will greatly benefit:

- Sales- and Marketing professionals who work in a channel function
- Participants will be involved in the selection of and cooperation with channel members such as retailers, wholesalers, franchisees.
- Professionals who are working in either retail or wholesale
- Participants who are considering to become a franchisee or a franchisor

How will this be Presented?

- This course has a foundation in the relevant theory and includes a number of company examples of how successful companies apply it.
- The training process is a combination of lectures, small group work on real company cases and practical exercises to apply knowledge.
- The course is delivered by a highly experienced business senior business manager who has a long experience in channel management.

The Scandinavian Academy for Training and Development employs modern methods in training and skills development, enhancing the efficiency of human resource development. We follow these practices:

• **Theoretical Lectures:**

- We deliver knowledge through advanced presentations such as PowerPoint and visual materials, including videos and short films.

• **Scientific Assessment:**

- We evaluate trainees skills before and after the course to ensure their progress.

• **Brainstorming and Interaction:**

- We encourage active participation through brainstorming sessions and applying concepts through role play.

• **Practical Cases:**

- We provide practical cases that align with the scientific content and the participants specific needs.

• **Examinations:**

- Tests are conducted at the end of the program to assess knowledge retention.

• **Educational Materials:**

- We provide both printed and digital scientific and practical materials to participants.

• **Attendance and Final Result Reports:**

- We prepare detailed attendance reports for participants and offer a comprehensive program evaluation.

• **Professionals and Experts:**

- The programs scientific content is prepared by the best professors and trainers in various fields.

• **Professional Completion Certificate:**

- Participants receive a professional completion certificate issued by the Scandinavian Academy for Training and Development in the Kingdom of Sweden, with the option for international authentication.

• **Program Timings:**

- Training programs are held from 10:00 AM to 2:00 PM and include coffee break sessions during lectures.
