# Course: Advanced Contract Management

Code	City	Hotel	Start	End	Price	Language - Hours
798	Dublin (Ireland)	Hotel Meeting Room	2025-01-13	2025-01-17	5450 €	En - 25

## Course Overview

Discover how to plan and manage a variety of contract administrative functions for the successful delivery of goods, works, and services in accordance with the “scope”, “quality”, “time” and “cost” provisions of the relevant contracts and recognized standards of professional practice.

This advanced contract management certification course aids in strengthening participant’s knowledge and skills in adaptive and agile contract management and administration of all types of procurement contracts: goods, consulting services, non-consulting services, and works.

It explores various performance-tracking, trend-analysis, supervision, risk-controlling, reporting tools, and procedures used in contract administration in line with best up-to-date international practices to ensure value for money and sustainable outcomes.

## Course Objectives

- Acquire knowledge of contract drafting, negotiation, and dispute resolution
- Study the key principles, aspects, and purpose of contract management
- Evaluate your responsibilities to deliver effective value for money services in a contract
- Appreciate the necessity to manage performance, administration, and delivery within the contract
- Consider, manage and mitigate the risks in contract management
- Maintain and sustain the mutually beneficial relationship with suppliers

## **Training Methodology**

**The Scandinavian Academy for Training and Development employs modern methods in training and skills development, enhancing the efficiency of human resource development. We follow these practices:**

• **Theoretical Lectures:**

- We deliver knowledge through advanced presentations such as PowerPoint and visual materials, including videos and short films.

• **Scientific Assessment:**

- We evaluate trainees skills before and after the course to ensure their progress.

• **Brainstorming and Interaction:**

- We encourage active participation through brainstorming sessions and applying concepts through role play.

• **Practical Cases:**

- We provide practical cases that align with the scientific content and the participants specific needs.

• **Examinations:**

- Tests are conducted at the end of the program to assess knowledge retention.

• **Educational Materials:**

- We provide both printed and digital scientific and practical materials to participants.

• **Attendance and Final Result Reports:**

- We prepare detailed attendance reports for participants and offer a comprehensive program evaluation.

• **Professionals and Experts:**

- The programs scientific content is prepared by the best professors and trainers in various fields.

• **Professional Completion Certificate:**

- Participants receive a professional completion certificate issued by the Scandinavian Academy for Training and Development in the Kingdom of Sweden, with the option for international authentication.

• **Program Timings:**

- Training programs are held from 10:00 AM to 2:00 PM and include coffee break sessions during lectures.
