INTRODUCTION

Effective strategic setting objective is essential to the future success of any organization. Whether you are a team leader, manager, or senior executive, learning the methodology of successful objective setting will enable you to set clear and realistic objectives for you and your team.

By working to a well thought out and structured plan you can align your team around a common vision, inspire motivation, increase productivity throughout your entire organisation and enhance competitiveness

This programme is designed to:

- Increased engagement from your team, leading to a more fulfilling work environment
- Continued personal development within your role
- Improvement in delegation skills, task setting and organisational strategies

PROGRAMME OBJECTIVE

- An overall better approach to objective setting and a greater understanding of it
- Increased productivity by improving employee engagement and awareness of higher-level objectives
- Improvements in time management will boost profit margins
- Enabling your senior employees to structure goal setting effectively for their

- teams, leading to improved results in all areas
- Work out how to translate strategic plans into action plans

TRAINING METHODOLOGY

The programme will combine conventional teaching with a high level of participation; including an interactive approach to involving participants in discussion of topics; exercises; and encouraging participants to bring their own experiences forward for discussion and debate. Wherever possible, real examples and short case studies will be included from different industries around the world to make the course as relevant as possible

PROGRAMME SUMMARY

This program will describe setting clear objectives in personal and professional contexts and acquire strategies to overcome the challenges of setting objectives and encourage your employees to write effective task and objectives.

PROGRAMME OUTLINE

Objective Setting and Corporate Strategy

- What is objective setting?
- Why is objective setting important?

- Presentations and feedback

The Scandinavian Academy for Training and Development employs modern methods in training and skills development, enhancing the efficiency of human resource development. We follow these practices:

• **Theoretical Lectures:**

- We deliver knowledge through advanced presentations such as PowerPoint and visual materials, including videos and short films.

• **Scientific Assessment:**

- We evaluate trainees skills before and after the course to ensure their progress.

• **Brainstorming and Interaction:**

- We encourage active participation through brainstorming sessions and applying concepts through role play.

• **Practical Cases:**

- We provide practical cases that align with the scientific content and the participants specific needs.

• **Examinations:**

- Tests are conducted at the end of the program to assess knowledge retention.

• **Educational Materials:**

- We provide both printed and digital scientific and practical materials to participants.

• **Attendance and Final Result Reports:**

- We prepare detailed attendance reports for participants and offer a comprehensive program evaluation.

• **Professionals and Experts:**

- The programs scientific content is prepared by the best professors and trainers in various fields.

• **Professional Completion Certificate:**

- Participants receive a professional completion certificate issued by the Scandinavian Academy for Training and Development in the Kingdom of Sweden, with the option for international authentication.

• **Program Timings:**

- Training programs are held from 10:00 AM to 2:00 PM and include coffee break sessions during lectures.
