### Introduction

To manage an office effectively you need to first manage yourself, and then manage your time, tasks, and others in order to achieve maximum success. This course will help increase your motivation and confidence through understanding of principles and best practices of successful office management.

You will learn to prioritise, plan, and solve problems not just to get your work done on time, but to have continuous improvement in productivity. You will learn to communicate more confidently in public, meetings, and with all levels of staff, including managing difficult behaviours. Finally you will gain self management skills which will help you to cope with stress, keep a 'can do' positive attitude, and enjoy your job each day no matter what the challenges are.

### This course will feature:

- Best practices for managing your daily responsibilities to achieve maximum output and success.

The Scandinavian Academy for Training and Development adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training and Development.
