Why Choose this Course?

Delegates attending this course will have the desire to set up or improve their own organization's internal audit function. The development, monitoring and continued improvement of a highly-integrated, internal audit function is essential for the continued financial success, stability and growth of world-class organization.

A well designed and effective internal audit system will provide verification and support that accounting and financial policies, procedures and controls are working adequate. An appropriate system of internal controls will be required for the organization to protect itself from the risk of fraud and an effective internal audit function will suggest suitable internal controls, monitor effectiveness of these controls along with other tasks that will lead to greater profitability and lower risk for the organization.

This course will feature:

- The issuance of Audit Reports
- The different types of audit and the benefits to be obtained from each
- Developing an Internal Audit Department
- Efficient Planning, Controlling and Recording of an audit assignment
- Effective communication skills for Auditors

What are the Goals?

By the end of this course, participants will be able to:

- Understand the role and function of an Internal Audit Department.
- Develop an Audit Committee Charter for a Board of Directors
- Evaluate the effectiveness of in-place internal controls and security policies.
- Understand audit risk and efficiently plan, control and record an audit assignment
- Conduct post-audit reviews and compile internal control updates for Boards of Directors

Who is this Course for?

This course is suitable to a wide range of professionals but will greatly benefit:

- Accounting and financial professionals and senior management that are presently or may interface with the daily functioning of an internal audit department
- Financial and non-financial professionals who may be appointed to support or interface with an Internal Audit Committee or that might review internal audit findings for Boards of Directors or investor/shareholder reports for other informational purposes
- Non-financial professionals that may need to coordinate other activities with an internal audit department and/or share findings, reports or information

How will this be Presented?

This course will utilise a variety of proven adult learning techniques to ensure maximum understanding, comprehension and retention of the information presented. This course is interactive and challenges one to think. The tutor will guide and facilitate learning, using direct input, discussions, case studies, exercises and video.

The Scandinavian Academy for Training and Development adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant will receive comprehensive training materials, including theoretical content, practical exercises, and supporting resources, provided in both printed and digital formats. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training and Development.

Program Timings:

- 9:00 AM to 2:00 PM in Arab cities.
- 10:00 AM to 3:00 PM in European and Asian cities.

The program includes:

- A daily Coffee Break provided during the sessions to ensure participants comfort.
