INTRODUCTION

Whatever the job title - whether it be administrator, office manager, secretary or something else - the role of co-ordinating and supporting the work of the office, department or team is crucial to everyone's success and the achievement of departmental and organisational objectives.

This new programme takes a fresh look at this role and the personal skills and approaches needed to fulfil it effectively.

This includes a focus on:

- managing the workload and work-related stress
- managing personal relationships and communicating effectively
- organising and supporting meetings
- managing information and providing what management needs
- monitoring and administering budgets and projects
- improving office systems and processes
- self-development and career management

WHO SHOULD ATTEND?

- Office/department co-ordinators, other administrative personnel, secretaries and personal assistants

PROGRAMME OBJECTIVES

To help participants develop their skills and understanding and to motivate them so that they fulfil their roles effectively and enhance the quality of service they provide to their bosses and departments.

TRAINING METHODOLOGY

The Scandinavian Academy for Training and Development adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training and Development.
