Why attend this programme?

Communication is a critical skill for every manager. Getting your ideas and issues across to the key people who can support you in implementing the strategy is a very tough job, and if you can't communicate your idea or issue properly, it may always be sidelined in your company. This Course helps you frame your ideas and issues in strategic business language, to speak and understand the language of senior managers.

Who should attend?

All middle and upper-level managers who propose strategies and ideas, or report performance to senior management or other influential stakeholders.

How will you benefit?

You will better be able to:

- Communicate in a way that senior managers listen to, remember, and are willing to act upon
- Sell your ideas, report your results, raise issues that need to be addressed, ask for support
- Connect what you want to say to the strategic goals of the organization that senior management cares about
- Handle interruptions and tough questions

- Defend your ideas or data without getting defensive
- Move from approval to action
- Improve your profile and credibility
