Introduction

When did you last stop to think about how you work at work – and whether the way you work could be changed to help you be more successful? The Business Brain Train Seminar provides a thoroughly enjoyable environment for you to explore these questions. It shows how to make yourself more effective using mind mapping; teaches techniques for faster, more effective reading, and shows how to use memory systems to remember information. It examines techniques for idea generation, creativity and problem solving; planning; time management; and inter-personal communication skills (including making a speech and how to improve meetings. It focuses on core skills required for success in any enterprise. The seminar helps individuals:

- Read faster and read better (combining speed reading with techniques for better comprehension)
- Learn how to use mind mapping for planning, note-making and clearer-thinking
- Learn the secrets of memory systems – and how to use them to remember information
- Generate ideas and use problem-solving techniques
- Develop strategies for managing time, priorities and pressure
- Understand the importance of the whole brain effect on business effectiveness

Objectives

- Read faster and more efficiently. Tackle reading tasks with more confidence

- Combine fast reading, mind-mapping and memory skills with time management techniques to help handle “information overload”
- Develop effective strategies for managing time, priorities and pressure
- Be able to explore and develop new ideas and approaches
- Be more confident in your ability to work in groups, to contribute ideas and to take initiative and responsibility
- Understand how to create a “success culture” using “business brain skills”

Training Methodology

This programme is enjoyable, practical and inter-active. The techniques are presented in a clear and easy-to-learn way using a mix of individual experiment, group work and discussion. You will find plenty of opportunities to participate, comment and question – but will never be put under pressure to express opinions or compete. You will be invited to learn at your own speed and to focus on developing your own skills.

Organisational Impact

Organizations can expect delegates to:

- Better equipped to handle information overload
- Be more effective readers (saving time and improving efficiency)
- Able to use simple memory systems to remember information (e.g. procedures, processes, facts, speeches)
- Able to use creative thinking tools and be more confident about working in groups and contributing ideas
- Understand how everyone in an organization has a part to play in creating a success culture

Personal Impact

- A better understanding of 'brain skills' as a foundation for personal effectiveness and working success
- Improved self-belief and self-confidence in ability to handle information overload
- More confidence and success when reading and remembering information
- Be more confident in ability to work in groups and contribute ideas

The Scandinavian Academy for Training and Development employs modern methods in training and skills development, enhancing the efficiency of human resource development. We follow these practices:

• **Theoretical Lectures:**

- We deliver knowledge through advanced presentations such as PowerPoint and visual materials, including videos and short films.

• **Scientific Assessment:**

- We evaluate trainees skills before and after the course to ensure their progress.

• **Brainstorming and Interaction:**

- We encourage active participation through brainstorming sessions and applying concepts through role play.

• **Practical Cases:**

- We provide practical cases that align with the scientific content and the participants specific needs.

• **Examinations:**

- Tests are conducted at the end of the program to assess knowledge retention.

• **Educational Materials:**

- We provide both printed and digital scientific and practical materials to participants.

• **Attendance and Final Result Reports:**

- We prepare detailed attendance reports for participants and offer a comprehensive program evaluation.

• **Professionals and Experts:**

- The programs scientific content is prepared by the best professors and trainers in various fields.

• **Professional Completion Certificate:**

- Participants receive a professional completion certificate issued by the Scandinavian Academy for Training and Development in the Kingdom of Sweden, with the option for international authentication.

• **Program Timings:**

- Training programs are held from 10:00 AM to 2:00 PM and include coffee break sessions during lectures.
