## **PROGRAMME SUMMARY**

The programme opens by exploring and reviewing the qualities and approaches of great leaders from the past. Using this initial analysis, the programme explores the power of vision to inspire enthusiasm and commitment. Participants then learn the same graphical planning tools that enabled the completion of the Apollo moon landing in eight short years when even the experts said it couldn't be done.

We explore a range of tools to unleash Emotional Intelligence and achieve Corporate Transformation. Leadership participants are then provided with a comprehensive range of approaches to focus, inspire, motivate and enable their followers and staff to perform as outstanding individuals. After this, the training session focuses on empowering the individual participants with a range of very powerful personal leadership and

facilitation tools. These tools are used by some of the leading people in present leadership roles in the global markets. In studying what they do that has been a success in a variety of business situations, you can adapt these tools to your own situations.
