### Introduction

It is crucial that today's business professionals understand the flow of financial resources. Such an understanding is needed daily; whether it is used to anticipate trends, evaluate company performance or obtain funding. People from non-financial backgrounds are often called upon to make decisions based on modern financial products, and they must have the know-how to navigate the financial systems that have a significant impact on their professional responsibilities.

Oxford Management Centre has created the 5 Day MBA in Finance to provide business professionals with a deeper understanding of corporate finance as practiced by today's most powerful companies. Designed specifically for non-financial personnel, this intensive seminar approaches the subject of finance as it relates to the corporation as a whole.

### The highlights of the seminar include:

- Extensive and deep coverage of the subject area
- Real world approach to the discipline
- Numerous examples based around market data
- Contemporary approach drawing on recent market developments
- Integration with spreadsheet modelling

### Seminar Objectives

**The seminar provides delegates with the tools required to find better answers to questions such as:**

- What is the appropriate discount rate to be used in investment appraisal?
- What are the “pros” and cons’ of different types of financing?
- What factors must be considered in deciding on a dividend policy?
- What is the exact nature and scope of the issue to be analyzed?
- What products are available to manage risk?
- Why is correlation so important in managing risk?
- Which specific variables, relationships, and trends are likely to be helpful in analyzing an annual report

## **Training Methodology**

Using a combination of lectures, group exercises and individual exercises with practical applications, the delegates will gain both a theoretical and practical knowledge of the topics covered. The emphasis is on the “real world” and as a result delegates will return to the workplace with both the ability and the confidence to apply the techniques learned.

Delegates are requested to please bring a notebook PC to the seminars.

## **Organisational Impact**

**By sending delegates on the 5 Day MBA in finance organisation will benefit by:**

- Providing delegates with a concentrated and focused programme in finance addressing key topics found on MBA’s in finance throughout the world
- Updating IT skills by demonstrating the use of financial software in assisting in the decision making process.
- Updating delegates with recent developments in risk management

- Providing exposure to numerous annual reports and real life cases
- Emphasising the role of risk in decision making
- Explaining how risk can be measured and quantified

## **Personal Impact**

### **Delegates will acquire the following skill set:**

- The ability to actively participate in finance decision making
- An appreciation of the relative merits of varying asset classes.
- Recognition of the importance of risk in determining the cost of capital
- An ability to utilise sophisticated investment appraisal techniques
