327	Dublin (Ireland)	Hotel Meeting Room	2025-12-01	2025-12-12	8950 €	En - 50

Introduction

Consultants and Contractors can be a very effective option for all types of organizations. However, managing those individuals (or companies) is essential in achieving the desired costs and benefits your organization desires.

This programme is designed to provide knowledge in:

- Sourcing & Selecting Consultants & Contractors
- Issues to be considered before the Tender Invitation and Key contractual clauses
- Raising the Invitation and Managing the Tender Process
- Contract type and language for best outcome with Consultants and Contractors
- Developing “Statements of Work” and Service Level Agreements as contract documents
- Monitoring, measuring Consultant and Contractor performance and Negotiations with Consultants and Firms Supplying Contractors

Objectives

Upon completion of this seminar, participants will know:

- How to evaluate bids and proposals
- What key clauses to include in contract documents
- Structure and application of incentive arrangements

- Best Terms & Conditions to protect your company
- Negotiation Planning and Strategy
- Monitoring and measuring Consultants and Contractors performance

Training Methodology

The training methodology will incorporate both theory and skill training components, utilizing both traditional lectures, as well as hands-on exercises, group discussions and case studies.

Organisational Impact

The organization will benefit by:

- Reduced cost of Contracts for Services
- Improved performance from Consultants and Contractors
- Reduced Risk to the organization from potential liabilities
- Higher productivity from personnel contracting for services
- Greater strategic focus of personnel contracting for Consultant and Contractor Services
- Improved control over on-time and on-budget delivery

Personal Impact

Attendees will gain by participation in the seminar as a result of:

- Increased skill sets in the management of Consultants and Contractors
- A greater sense of Professionalism
- Knowledge of World-Class practices
- Greater ability to negotiate and manage contracts
- Increased recognition by the organization because of improved performance

- Ability to control project progress and delivery against baseline

The Scandinavian Academy for Training and Development employs modern methods in training and skills development, enhancing the efficiency of human resource development. We follow these practices:

- **Theoretical Lectures:**

- We deliver knowledge through advanced presentations such as PowerPoint and visual materials, including videos and short films.

- **Scientific Assessment:**

- We evaluate trainees skills before and after the course to ensure their progress.

- **Brainstorming and Interaction:**

- We encourage active participation through brainstorming sessions and applying concepts through role play.

- **Practical Cases:**

- We provide practical cases that align with the scientific content and the participants specific needs.

- **Examinations:**

- Tests are conducted at the end of the program to assess knowledge retention.

- **Educational Materials:**

- We provide both printed and digital scientific and practical materials to participants.

- **Attendance and Final Result Reports:**

- We prepare detailed attendance reports for participants and offer a comprehensive program evaluation.

- **Professionals and Experts:**

- The programs scientific content is prepared by the best professors and trainers in various fields.

- **Professional Completion Certificate:**

- Participants receive a professional completion certificate issued by the Scandinavian Academy for Training and Development in the Kingdom of Sweden, with the option for international authentication.

- **Program Timings:**

- Training programs are held from 10:00 AM to 2:00 PM and include coffee break sessions during lectures.
