The Course

This course offers insights into the world of corporate finance. The focus is on every responsibility area of the firm & how finance impacts what they do. To that end, this course offers an overview of the interaction between finance, management and all other stakeholders. Because stakeholders' demands are best met by an efficient allocation of resources, this course looks to that purpose.

Corporate Finance not only presents the key financial terms & tools as they are used in the real world, but also explains the broader context of how and where they are applied to every area of the firm. Delegates attending this program will gain an understanding of the inter-relationship of financial decisions to the firm's strategy. Additionally, an understanding of how decisions are made using the firm's financial statements will tremendously help everyone manage the organization better

Key points include:

- Accounting vs. finance: the fundamentals
- How the 3 financial statements are inter-related & why we care
- The need to manage Working Capital
- Why Capital Structure can make or break a firm
- Capital budgeting that makes a difference

The Goals

This course will help you learn how to:

- Relate accounting & finance
- Analyze financial statements
- Make better capital budgeting decisions
- Use working capital more wisely
- Structure the firm's leverage to optimize the shareholder return

The Process

This workshop will be highly interactive & participatory. Your seminar leader will present, guide and facilitate learning, using a range of methods including discussions, real world examples and case studies. Where appropriate, these will include real issues brought to the workshop by delegates. Lessons learned from the seminar can be applied to your own organization immediately.

The Benefits

- An improved appreciation for the use of finance to make better operating decisions
- Reduced inter-functional battles over budget allocation
- The ability to speak directly with Finance to obtain the resources need to hit targets
- Increased skill set in all phases of finance
- Greater ability to use financial information to control positive outcomes

The Results

By successfully completing this course, delegates will be able to:

- Use financial statements to make a more positive impact on the organization
- Make better decisions with Finance
- Maintain better control of resource use
- Build superior budgets that get approved
- Be able to analyze variances from goals accurately & quickly

The Core Competencies

Delegates will gain in the following competencies as a result of the program:

- Understanding financial statements
- Understand how to optimize decisions through analysis
- Use leverage to optimize growth
- Analyze capital projects using multiple tools for better results
- Become comfortable conversing on all finance subjects

The Scandinavian Academy employs modern methods in training and skills development, enhancing the efficiency of human resource development. We follow these practices:

- **Theoretical Lectures:**
 - We deliver knowledge through advanced presentations such as PowerPoint and visual materials, including videos and short films.
- **Scientific Assessment:**
 - We evaluate trainees skills before and after the course to ensure their progress.
- **Brainstorming and Interaction:**
 - We encourage active participation through brainstorming sessions and applying concepts through role play.
- **Practical Cases:**
 - We provide practical cases that align with the scientific content and the participants specific needs.
- **Examinations:**
 - Tests are conducted at the end of the program to assess knowledge retention.
- **Educational Materials:**
 - We provide both printed and digital scientific and practical materials to participants.
- **Attendance and Final Result Reports:**
 - We prepare detailed attendance reports for participants and offer a comprehensive program evaluation.
- **Professionals and Experts:**
 - The programs scientific content is prepared by the best professors and trainers in various fields.
- **Professional Completion Certificate:**
 - Participants receive a professional completion certificate issued by the Scandinavian Academy for Training and Development in the Kingdom of Sweden, with the option for international authentication.
- **Program Timings:**
 - Training programs are held from 10:00 AM to 2:00 PM and include buffet sessions for light meals during lectures.
