## Introduction

Consultants and Contractors can be a very effective option for all types of organizations. However, managing those individuals (or companies) is essential in achieving the desired costs and benefits your organization desires.

**This programme is designed to provide knowledge in:**

- Sourcing & Selecting Consultants & Contractors
- Issues to be considered before the Tender Invitation and Key contractual clauses
- Raising the Invitation and Managing the Tender Process
- Contract type and language for best outcome with Consultants and Contractors
- Developing “Statements of Work” and Service Level Agreements as contract documents
- Monitoring, measuring Consultant and Contractor performance and Negotiations with Consultants and Firms Supplying Contractors

## Objectives

**Upon completion of this seminar, participants will know:**

- How to evaluate bids and proposals
- What key clauses to include in contract documents
- Structure and application of incentive arrangements
- Best Terms & Conditions to protect your company
- Negotiation Planning and Strategy
- Monitoring and measuring Consultants and Contractors performance

## Training Methodology

The training methodology will incorporate both theory and skill training components, utilizing both traditional lectures, as well as hands-on exercises, group discussions and case studies.

## Organisational Impact

**The organization will benefit by:**

- Reduced cost of Contracts for Services
- Improved performance from Consultants and Contractors
- Reduced Risk to the organization from potential liabilities
- Higher productivity from personnel contracting for services
- Greater strategic focus of personnel contracting for Consultant and Contractor Services
- Improved control over on-time and on-budget delivery

## **Personal Impact**

**Attendees will gain by participation in the seminar as a result of:**

- Increased skill sets in the management of Consultants and Contractors
- A greater sense of Professionalism
- Knowledge of World-Class practices
- Greater ability to negotiate and manage contracts
- Increased recognition by the organization because of improved performance
- Ability to control project progress and delivery against baseline

- Delegate feedback forms
- Analysis against objectives

**The Scandinavian Academy employs modern methods in training and skills development, enhancing the efficiency of human resource development. We follow these practices:**

- **Theoretical Lectures:**
  - We deliver knowledge through advanced presentations such as PowerPoint and visual materials, including videos and short films.
- **Scientific Assessment:**
  - We evaluate trainees skills before and after the course to ensure their progress.
- **Brainstorming and Interaction:**
  - We encourage active participation through brainstorming sessions and applying concepts through role play.
- **Practical Cases:**
  - We provide practical cases that align with the scientific content and the participants specific needs.
- **Examinations:**
  - Tests are conducted at the end of the program to assess knowledge retention.
- **Educational Materials:**
  - We provide both printed and digital scientific and practical materials to participants.
- **Attendance and Final Result Reports:**
  - We prepare detailed attendance reports for participants and offer a comprehensive program evaluation.
- **Professionals and Experts:**
  - The programs scientific content is prepared by the best professors and trainers in various fields.
- **Professional Completion Certificate:**
  - Participants receive a professional completion certificate issued by the Scandinavian Academy for Training and Development in the Kingdom of Sweden, with the option for international authentication.
- **Program Timings:**
  - Training programs are held from 10:00 AM to 2:00 PM and include buffet sessions for light meals during lectures.
