Why Choose this Course?

This course helps those people who are organizing and planning an event - it can be an in-house event or a commercial event. The impact of a successful event on a company can be profound. The impact of a poorly organized event so negative that it pulls resources away from real work in dealing with the aftermath. No matter what, this course will fully support your objective of helping to deliver an effective event.

How do you ensure that your event is a great success and that you have achieved everything required? How do you ensure that it is within budget? These and many more questions will be answered on this exciting and stimulating course.

This course will feature:

- How to run an effective event based on sound principles of event management
- How to identify and deal with issues before they happen and deal with the unexpected
- Ensuring you have a smooth approach to the planning and running of events
- Building the required skills and the confidence to deliver events effectively
- Selecting and developing the events team

What are the Goals?

By the end of this course, participants will be able to:

- Use a standardized events planning and management process

- Deal with the pitfalls and ways to overcome them in planning your events
- Deal with the financial and legal implications of holding events wherever they are held
- Use social media and extensive communication networks to communicate to your audience
- Apply a consistent approach to developing events

Who is this Course for?

This course is suitable to a wide range of professionals but will greatly benefit:

- Event management professionals
- Administrative support staff working in an events company or department
- Those from various public or private companies
- Those who want to enter the events management world

How will this be Presented?

This course will utilise a variety of proven adult learning techniques to ensure maximum understanding, comprehension and retention of the information presented. The course is highly interactive and delegates will be involved in a wide range of activities including individual, paired and group working. Video will also be used and active discussion is encouraged. Personal action planning will be used throughout the course.
