Introduction

The Balanced Scorecard puts strategy at the heart of your organisation, allowing you to focus 100% of your employees' effort on the achievement of company objectives. It provides a powerful framework for the rapid and effective implementation of strategy, delivering breakthrough performance improvement.

Highlights of the seminar include:

- Understanding how to use the Balanced Scorecard to drive improved performance
- Building a Balanced Scorecard from scratch
- Aligning your organisation around common goals
- Stimulating activities and discussions
- Creating a personal action plan to drive performance improvement within your organisation

Objectives

After attending this seminar, delegates will be able to:

- Translate vision and strategy into practical action and improved organisational performance
- Understand how to monitor and manage strategic performance
- Design and build a Balanced Scorecard
- Drive operational performance improvement in line with strategy
- Communicate and manage change

Training Methodology

The workshop is based on a combination of interactive activities – group and individual exercises, case studies and discussions – along with formal inputs. Real examples are employed to illustrate how the techniques work in practice and a case study is used to demonstrate the end-to-end process of creating and implementing a Balanced Scorecard. Delegates also create a plan of action for applying lessons learned within their own organisations

Organisational Impact

The key benefits to organisations include:

- Turning the organisation's vision into a practical reality
- Delivery of improved operational performance
- Aligning different elements of the organisation around a common strategy
- Development and communication of strategic measures
- Monitoring ongoing performance improvement
- Aligning strategic initiatives to organisation strategy

Personal Impact

The key benefits to delegates include:

- Deeper knowledge and understanding of the Balanced Scorecard
- A systematic methodology for developing and managing a Balanced Scorecard
- Practical experience in the use of the Balanced Scorecard
- Greater capability to monitor and drive performance improvement
- Understanding of how to rollout a Balanced scorecard across an organisation
