Introduction

Achieving customer service excellence is not accomplished by accident, nor is it attained without effort and teamwork. It requires well-trained customer service professionals who have a passion for providing quality service. This dynamic, five-day course emphasizes the professional communication skills and actions that create the foundation for continuous improvement.

In today's customer-oriented business environment, "people skills" are critical for career advancement and organisational effectiveness. The programme emphasis the importance of providing customer service excellence in a competitive environment, proven strategies for service recovery, and negotiation techniques for dealing with difficult customers in a professional manner.

- Identify key components that promote customer retention and loyalty
- Describe the practices of a world-class customer service provider and model their own performance on those practices
- Utilize interpersonal skills as vital tools in the provision of customer service
- Develop a customer-focused mindset for continuous improvement
- Improved conflict resolution skills

Objectives

- Establish the importance of setting and reviewing customer service standards
- Develop an understanding of internal and external customer expectations
- Communicate more effectively by utilizing active listening and questioning skills
- Demonstrate how to deal with difficult customers effectively
- Set SMART objectives and goals to increase daily productivity
- Utilize stress management techniques to reduce tension

Training Methodology

This dynamic, 5-day seminar is highly interactive and encourages delegate participation through a combination of group discussion, videos, role-play exercises, case studies and breakout sessions. This seminar will include benchmarking best practices to model world-class customer service excellence. The comprehensive course manual

has been designed to be practical, easy to use and facilitate learning. Delegates are provided a comfortable, enlightening learning experience that gives them the latest insights, techniques and best practices to promote long-term customer satisfaction and loyalty.

Organisational Impact

- A shared organisational customer service vision
- A streamlined customer service feedback system
- Improved intra/ inter departmental communication
- A highly motivated and focused workforce
- Increased competency and communication skills
- Increased customer retention and revenue growth

Personal Impact

- An increased appreciation for their role in helping their organisation achieve customer service excellence
- Up to date techniques and methods to help them provide world-class service
- Enhanced leadership and communication skills required to excel in their career
- Increased confidence in their abilities to work professionally with difficult or upset customers
- The insight to adjust their own temperament style to become more versatile, adaptable and highly successful
- Improved time management skills and increased productivity

The Scandinavian Academy employs modern methods in training and skills development, enhancing the efficiency of human resource development. We follow these practices:

- **Theoretical Lectures:**
 - We deliver knowledge through advanced presentations such as PowerPoint and visual materials, including videos and short films.
- **Scientific Assessment:**
 - We evaluate trainees skills before and after the course to ensure their progress.
- **Brainstorming and Interaction:**
 - We encourage active participation through brainstorming sessions and applying concepts through role play.
- **Practical Cases:**
 - We provide practical cases that align with the scientific content and the participants specific needs.
- **Examinations:**
 - Tests are conducted at the end of the program to assess knowledge retention.
- **Educational Materials:**
 - We provide both printed and digital scientific and practical materials to participants.
- **Attendance and Final Result Reports:**
 - We prepare detailed attendance reports for participants and offer a comprehensive program evaluation.
- **Professionals and Experts:**
 - The programs scientific content is prepared by the best professors and trainers in various fields.
- **Professional Completion Certificate:**
 - Participants receive a professional completion certificate issued by the Scandinavian Academy for Training and Development in the Kingdom of Sweden, with the option for international authentication.
- **Program Timings:**
 - Training programs are held from 10:00 AM to 2:00 PM and include buffet sessions for light meals during lectures.
