## The Course

In today's modern corporation, the leader needs to draw from the well of intellectual capital within their sphere of influence to facilitate productivity and steady growth. Principles and techniques on how leaders do that today are included in this unique programme in order to provide the delegate with the essential tools to groom his/her people. These best practice techniques are taken from all areas of business and cultures to provide the delegate with a clear path to putting together a successful organization.

This course allows delegates to understand the best strategies and techniques to adopt in various workplace situations. The ability to strategize and convey organizational goals through effective communication is crucial towards achieving peak performance. Long term success relies on strong leadership within the organization.

**This course covers these key areas:**

- Developing effective communication
- Influence and motivate others through exemplary leadership
- Techniques to delegate and empower followers
- Understanding your preferred leadership style
- Building an innovative culture

## The Goals

- Determine best practices of leaders through history and how to apply them today.
- Articulate an understanding of what leadership means for in your business.
- Explain your leadership capabilities and areas for personal development.
- Determine your role as an effective leader in any organization.
- Develop strategies for creating a positive work environment that fosters leadership and a commitment to continuous improvement in others.

## The Delegates

This program is intended to take those who supervise other people and processes, and give them pure leadership skills to enable them to have the capacity to both lead and manage people. In that context, the program should be

attended by all who aspire to build their leadership qualities.

- This seminar is designed for anyone in a leadership role who supervise other people and processes, and give them pure leadership skills to enable them to have the capacity to both lead and manage people
- It will benefit leaders at any level of the organization with the latest knowledge and skills in leadership styles
- This program should be attended by all who aspire to build their leadership qualities

## The Process

The seminar will combine presentations with interactive practical exercises so participants can learn the dynamics of leadership styles. Delegates will be encouraged to participate actively in discussions of the case studies for leadership styles and creativity in the workplace, team exercises to develop innovation and creativity, videos to illustrate key learning points, sharing past experiences with other participants to exchange knowledge, and practicing key concepts through role playing.

**The Scandinavian Academy employs modern methods in training and skills development, enhancing the efficiency of human resource development. We follow these practices:**

- **Theoretical Lectures:**
  - We deliver knowledge through advanced presentations such as PowerPoint and visual materials, including videos and short films.
- **Scientific Assessment:**
  - We evaluate trainees skills before and after the course to ensure their progress.
- **Brainstorming and Interaction:**
  - We encourage active participation through brainstorming sessions and applying concepts through role play.
- **Practical Cases:**
  - We provide practical cases that align with the scientific content and the participants specific needs.
- **Examinations:**
  - Tests are conducted at the end of the program to assess knowledge retention.
- **Educational Materials:**
  - We provide both printed and digital scientific and practical materials to participants.
- **Attendance and Final Result Reports:**
  - We prepare detailed attendance reports for participants and offer a comprehensive program evaluation.
- **Professionals and Experts:**
  - The programs scientific content is prepared by the best professors and trainers in various fields.
- **Professional Completion Certificate:**
  - Participants receive a professional completion certificate issued by the Scandinavian Academy for Training and Development in the Kingdom of Sweden, with the option for international authentication.
- **Program Timings:**
  - Training programs are held from 10:00 AM to 2:00 PM and include buffet sessions for light meals during lectures.
