The Course

This course is aimed at improving the skills of the Procurement Professional and Senior Buyers in organizations. Advanced negotiation and procurement techniques, business continuity and contingency planning for procurement are discussed and practised in simulations. The course examines the strategic importance of procurement departments by using concepts and ideas in order to maximize the procurement department's effectiveness and thereby reducing costs throughout the supply chain.

The program is an opportunity to develop leadership skills that will assist in working better together, learning to handle conflict situations, implementing time management techniques and understanding the need to have an attitude that is accepting of change. This program is furthermore designed to provide Purchasing Professionals with not only the best practices generally viewed as leading to World-Class performance in procurement activities, but also to provide practical tools and guidance. It is an essential course for the Purchasing manager and Senior Buyer, and delegates will return to their organisation with actual realistic plans on how to make considerable cost savings. Senior managers will also benefit from attending this course as they will be able to make savings in their organisations by ensuring that the tools are implemented.

The Goals

The goals of the program are to allow the participants to:

- Review critical supply strategies
- Be provided the concepts of activity based costing
- Discuss current forces of change
- Learn how to create rapport, build trust and establish credibility in a work group

The Scandinavian Academy employs modern methods in training and skills development, enhancing the efficiency of human resource development. We follow these practices:

- **Theoretical Lectures:**
 - We deliver knowledge through advanced presentations such as PowerPoint and visual materials, including videos and short films.
- **Scientific Assessment:**
 - We evaluate trainees skills before and after the course to ensure their progress.
- **Brainstorming and Interaction:**
 - We encourage active participation through brainstorming sessions and applying concepts through role play.
- **Practical Cases:**
 - We provide practical cases that align with the scientific content and the participants specific needs.
- **Examinations:**
 - Tests are conducted at the end of the program to assess knowledge retention.
- **Educational Materials:**
 - We provide both printed and digital scientific and practical materials to participants.
- **Attendance and Final Result Reports:**
 - We prepare detailed attendance reports for participants and offer a comprehensive program evaluation.
- **Professionals and Experts:**
 - The programs scientific content is prepared by the best professors and trainers in various fields.
- **Professional Completion Certificate:**
 - Participants receive a professional completion certificate issued by the Scandinavian Academy for Training and Development in the Kingdom of Sweden, with the option for international authentication.
- **Program Timings:**
 - Training programs are held from 10:00 AM to 2:00 PM and include buffet sessions for light meals during lectures.
