## Why Attend?

Training departments carry a major responsibility in the organizations which focus on developing employees' knowledge and skills for current and future business needs. Being in charge of a training department requires an understanding of a number of concepts like management, strategy, policies, budget, evaluation and technology. The 'Certified Training Manager' course covers such important topics and provides participants with the knowledge and tools to survive the ever growing demands placed on the training function.

## Course Methodology

To apply theory, the course incorporates an experiential learning approach that allows participants to individually and collectively develop solutions to case studies, draft budgets, training policies, evaluate surveys and create business requirements for training systems.

## Course Objectives

**By the end of the course, participants will be able to:**

- Describe the key roles and responsibilities of training departments
- Develop a training department mission statement with key result areas and key performance indicators
- Establish a comprehensive training strategy which includes training policies, procedures, and training plans
- List important steps for developing and administering training budgets
- Identify methods for evaluating the training function
- Conduct a cost benefit analysis for training activities
- Prepare business requirements for a Learning Management System (LMS) and list the necessary system selection steps
