The Scandinavian Academy employs modern methods in training and skills development, enhancing the efficiency of human resource development. We follow these practices:

Theoretical Lectures:

We deliver knowledge through advanced presentations such as PowerPoint and visual materials, including videos and short films.

- Scientific Assessment:
  - We evaluate trainees skills before and after the course to ensure their progress.
- Brainstorming and Interaction:
  - We encourage active participation through brainstorming sessions and applying concepts through role play.
- Practical Cases:
  - We provide practical cases that align with the scientific content and the participants specific needs.
- Examinations:
  - Tests are conducted at the end of the program to assess knowledge retention.
- Educational Materials:
  - We provide both printed and digital scientific and practical materials to participants.
- Attendance and Final Result Reports:
  - We prepare detailed attendance reports for participants and offer a comprehensive program evaluation.
- Professionals and Experts:
  - The programs scientific content is prepared by the best professors and trainers in various fields.

- 
- Professional Completion Certificate:
    - Participants receive a professional completion certificate issued by the Scandinavian Academy for Training and Development in the Kingdom of Sweden, with the option for international authentication.
  - Program Timings:
    - Training programs are held from 10:00 AM to 2:00 PM and include buffet sessions for light meals during lectures.
